PROBABLE CAUSE

On Thursday, July 21st, 2022, I (Detective Ryan CCN 14650) responded to 5901 Pine Island Road, Parkland, Florida, in reference to a suspicious incident call. Upon arrival, I met with Deputy Fiacco CCN 9924, who stated on the above date at approximately 0630 hours he was contacted via cell phone by Crossing Guard [REDACTED] that a racoon was deceased on a

bench at the Marjorie Stoneman Douglas High School Memorial. The racoon was on its left side facing southwest direction. The racoon was deceased, but the racoon remains were untouched. There was no evidence to believe that the racoon was killed at that location.

Deputy Fiacco informed me that on the day previous, Wednesday, July 20th, 2022, at approximately 0630 hour he was contacted by [REDACTED] that a duck was deceased, and the duck's chest cavity was spread open. All the duck's organs were removed. The duck's head was flattened by an unknown object. The duck was also placed on the bench inside the MSD Memorial. See Case #17-2207-001016

Photos of both the duck incident and the racoon incident were taken. Body worn cameras were in use for the racoon incident.

On Sunday, July 31st, 2022, at approximately 0141-0145 hours, Deputy Hanchard CCN 19897 was on routine patrol of Marjorie Stoneman Douglas High School. Deputy Hanchard stated that she discovered a deceased Opossum placed on the MSD Memorial bench. Deputy Hanchard stated in her report that she observed a black Nissan with dark tinted windows circling the area, she stated that the black Nissan sped up beside her and then slowed down as if to look at her then sped off whiling blacking out its lights. Deputy Hanchard contacted the Broward Sheriff's Office Real Time Crime Center and spoke with Detective Grant CCN 13179. Detective Grant reviewed the security surveillance camera located on the light pole on the eastside of Pine Island Road that points directly towards the MSD Memorial Garden. Detective Grant observed on July 30th, 2022, at approximately 2305 hours, a white Nissan either bearing all black rims or tires with no hub caps pulled onto the curb of the Memorial Garden and parked his vehicle. It appears an unknown male exited the driver's side of the vehicle and went to the passenger side. The unknown male then entered the Memorial Garden and remained in that area for approximately four minutes before getting back into the Nissan and departing the scene. See Case #17-2207-001512

On Sunday, July 31st, 2022, at approximately 2240, Deputy Tyrie CCN 15190 observed a light colored Nissan Altima with dark hubcaps driving slowly in the area of Pine Island Road and Holmberg Road. Deputy Tyrie stated in his report that this vehicle peaked his due to an Alert Flyer (17-2207-001512) had been issued to District 17 deputies in reference to a similar vehicle being involved in placing animal carcasses on and near the MSD Memorial Garden. The vehicle had extremely dark tint which prevented Deputy Tyrie from clearly viewing the driver or occupants of the vehicle. Deputy Tyrie stated that he continued to patrol the area and observed the same vehicle (FL Tag #QJYJ48) drive past the memorial two additional times.

Deputy Tyrie conducted a traffic stop on that vehicle due to the illegal tint and contact was made with the sole occupant/Driver W/M Robert Mondragon (DOB 03/18/93). Deputy Tyrie noted that he observed what appeared to be bird feathers and blood strewn about the front passenger side floorboard. Mondragon stated that he had a dead bird in his car because he likes the smell, and he likes the metal and blood smell that emit from the dead animal. Detective Versteeg CCN 14759 responded to the area and met with Mondragon and post Miranda Mondragon refused to speak with Detective Versteeg. See case #17-2207-001568

On Sunday July 31st, 2022, BSO Parkland Deputies located a dead animal at 5901 Pine Island Rd Parkland, FL (Marjorie Stoneman Douglas High School). The animal was located on the bench in the MSD Memorial Garden. Upon arrival, BSO Deputies observed a deceased Opossum lying on the concrete bench.

Digital photographs were taken of the dead Opossum and uploaded to Evidence.com.

A Follow Up investigation was conducted on the listed cases. It should be noted that the vehicle observed on surveillance camera on 7/30/22 (White Nissan Sentra with Black Rims) matches the exact vehicle that was pulled over by Deputy Tyrie on 7/31/22.

Your Affiant made contact with Robert Mondragon's father (Norbert Mondragon). When showed the surveillance of the white Nissan Sentra at the Memorial Site, Norbert confirmed 100% that was Robert's white Nissan.

Following the interview, your affiant learned that several LPRs had hit upon the same vehicle being in the area around Marjorie Stoneman Douglas High School following the traffic stop.

On August 4th, 2022, your affiant learned of an Instagram account the suspect had created under the alias Mors Mortem (which a google search revealed translates roughly from Latin to "Death is Death"). Your affiant reviewed the profile and observed a posting on July 25th, 2022 of the Defendant holding a firearm. A second post on the account showed a close up of the suspect's face.

Your affiant consulted with a firearms expert who reviewed the photograph and confirmed that the firearm was in fact real and is a Yugoslavian SkS Rifle.

Broward Sheriff's Office
Case #17-2207-001016

Your affiant also reviewed photographs of the suspect in DAVID; your affiant was able to see the suspect had shorter hair in 2020, and longer hair in his most recent picture of February 2022. This indicates that the picture in the Instagram account is recent.

Your affiant has already sent a preservation letter to Meta, Inc. in order to preserve the account and is preparing a search warrant in order to recover the account contents.

A routine records check revealed that Mondragon is currently on misdemeanor probation (21009095CF10A) for Battery and Indecent Exposure until June 9th, 2023. When asked about the probation case, Mondragon advised he "got in trouble in Davie" last year (Davie case 21-070574). Mondragon has one additional arrest in reference to the same case for Violation of Pre-Trial Release Conditions (June 9th, 2022). A review of the conditions of probation in that case reveals that the defendant is in violation of condition 3 (shall not possess a weapon or firearm) and condition 4 (shall not violate the law) (instructed by probation officer Shanice Houston on June 20th, 2022, and signed by the suspect).

Mondragon's probationary status was active and current, and did not contain any special stipulations (curfew, prohibited locations).

Probable Cause Affidavit

Before me this date personally appeared ABRAMS, JESSICA (16757) who being first duly sworn deposes and says that on 21 day of July, (year) 2022 at 5901 PINE ISLAND RD, PARKLAND, FL 33076 (name location) the above named defendant committed the above offenses charged and the facts showing probable cause to believe the same are as follows:

To Wit:

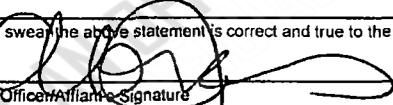

On 7/21/2022, a deceased raccoon was located on top of the memorial bench at the MSD Memorial Garden. There were flies all around the raccoon and a very strong odor coming from it. When the raccoon was removed, blood stains were observed on the bench, causing defacement and a biohazard. The raccoon/blood also prevented a person from utilizing the bench should they desire to do so.

It should be noted on 7/20/2022, a deceased duck was located lying on top of the same bench with it's chest cavity cut open (charges have already been filed against this Defendant). As well as on 7/31/2022, a deceased Opossum was located on top of the same memorial bench.

The MSD Memorial Garden is located in front of the Marjory Stoneman Douglas High School sign. The garden contained items and words that represent that 17 victims were killed in the MSD school shooting on February 14, 2018. There are rocks throughout the garden that were painted by students to signify the tragedy of the 17 people that were killed. This memorial garden is used for students to go and pray and mourn the loss of their fellow classmates/teachers. There is a pole with signage that has the number "17" written on it to signify the 17 lives lost. There is "#neveragain" written on it that is a common verbiage used to say that a school shooting will never happen again and "remembered in love 02-14-18" (which is the date the MSD school shooting took place).

A review of video surveillance revealed that on 07/30/2022, at approximately 2305 hours, a white Nissan either bearing all black rims or tires with no hub caps pulled onto the

 curb of the Memorial Garden and parked. It appeared an unknown male exited the driver side of the vehicle and went to the passenger side. The unknown male then entered the Memorial Garden and remained in that area for approximately four minutes before getting back into the Nissan and departing the scene.

The Defendant's father, Norbert Mondragon reviewed a still photograph of the vehicle seen on video surveillance that night and confirmed it to be the Defendants.

On 07/31/2022, a BSO Deputy observed a vehicle that matched the same description as the video surveillance, and recognized it due to an alert flyer he received. The vehicle was seen by the Deputy driving slowly in that area, and drive past the area about three times. A traffic stop was conducted, and the driver/sole occupant was identified as the Defendant, Robert Mondragon. The Deputy observed what appeared to be bird feathers and blood strewn about the front passenger side floorboard. The Defendant told deputies that he had a dead bird in his car because he likes the smell and likes the metal and blood smell that emit from the dead animal.

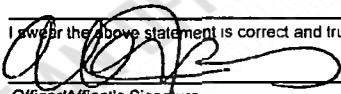

Further investigation revealed evidence that violated the Defendant on his probation and violated his risk protection order in which he was subsequently arrested for on 08/04/2022 by arrest warrant.

A search warrant was conducted on the Defendants phone and vehicle.

Results from the warrant on his phone produced a photograph of a dead raccoon on the floorboard of the passenger side of the Defendants vehicle. The raccoon is next to an

Before me this date personally appeared ABRAMS, JESSICA (16757) who being first duly sworn deposes and says that on 21 day of July, (year) 2022 at 5901 PINE ISLAND RD, PARKLAND, FL 33076 (crime location) the above named defendant committed the above offenses charged and the facts showing probable cause to believe the same are as follows

orange cloth that was identified in the search warrant of his vehicle as an orange shirt. In the picture located with the raccoon, there is a stain just above the locking mechanism of the front passenger door that is consistent with the stain located during the search warrant of his vehicle, thus proving the raccoon was inside of the Defendants vehicle.

Based on the above information, there is probable cause to believe the above named Defendant did intentionally and unlawfully place a deceased raccoon on top of the memorial bench in the MSD Memorial Garden, causing damage to the bench (blood stains), flies to surround the area as well as a strong odor. Due to his actions, he also prevented others from utilizing the bench.

Note: The Defendant is currently on probation and this criminal charge is a violation of his orders. Thus, the Defendant is also being charged with violating probation.
